Frequently Asked Questions

My spouse and I recently separated, who should fill out the application and with what information?

The person responsible for tuition should fill out the application. If you and your former spouse filed a joint tax return for the requested tax year then both adults should be included on the application. If both adults resided in the same home for half of the requested tax year then both parents should be included on the application. For example, if the application is requesting **2013** tax information and the couple separated in August **2013**, then both adults will be expected to provide documentation of their income.

I have not filed my tax return. What documents should I provide?

Please provide your last filed tax return and **2013** W-2 Forms. If you filed a Schedule C, E or F on the last filed tax return then you must provide gross and net business estimates in Section K. If you filed a Schedule C, E or F in the previous year's tax year, and do not plan on filing in the requested tax year, please state that in Section L. *Please Note: An IRS extension will be requested for all applications received April 15th and later.*

What is a net and gross business estimate?

Gross business income is the total amount of sales for a tax year. Net business income is the total amount of sales for a tax year minus the operating cost (The net business income is essentially the profit from the business, rental property or farm).

What is a Schedule C, E and F?

- A Schedule C refers to **business income** or loss.
- A Schedule E refers to **rental property**, royalties, partnerships, S corporations, trusts, etc.
- A Schedule F refers to **farm income** or loss.

I have children in pre-school and/or college who are not applying for aid. Should I put them on the application? If so, why does it matter?

Please list all dependent children residing in your home who attend a tuition charging school/program. PSAS factors in the amount of children the household has in tuition charging schools.

I live with a significant other who is not responsible for my child's tuition. Should I include their information?

Financial aid considerations are based on total household income. In an effort to maintain consistency PSAS considers all members of the household who are contributing to household living expenses even if they are not legally responsible for tuition.

Why should I provide an email address?

E-mail is used to set up your personal PSAS account, correspond with PSAS and track your application online at www.my.psas.org. The email address provided is only used by PSAS and the school(s) or agencies contracting with PSAS and will not be provided to any other entity.

For more frequently ask questions please visit www.psas.org.

If your inquiry does not match any of the listed FAQ's please email PSAS at info@psas.org or call (440) 892-4272.
